

SICKNESS POLICY

Ambassador Kindergarten-Dubai

We appreciate that as a working parent you need to be able to go to work, however if your child is unwell then they will be better cared for in their own home with their parents. We are happy to care for children with minor coughs and colds but will not care for children who are very unwell, infectious or running a high temperature. We have to go out each day to do school and pre-school runs and need to consider the welfare of all the children in our care.

If your child becomes ill whilst in our care, we will make them as comfortable as possible, isolate them from the other children if necessary and reassure them. We will contact you immediately and continue to care for your child until you arrive.

We will administer medication when required, please see our Medicine Policy.

We are happy to work when we have minor ailments such as colds etc. However we will not work if we have sickness or diarrhea or any other highly contagious infection. Continuing to work would only result in a further spreading of the infection and we would be unable to provide your child with the care they deserve.
