Wow moments – Ms. Varsha Negandhi & Ms. Hemalatha

“At school, every day is a treat to see our little ones growing and to be a witness to their Wow moments!! The moment of happiness which we enjoy takes us by surprise. It is not that we seize them but they seize us. It is our great privilege to share some wow moment with you all.

During the ‘Annual Concert’ we had so many Wow moments that made us speechless with their dance, drama and dialogues.

What passion these little ones possessed in their character, dance moves, speech and act!! At such a tender age they were magical on the stage with their performance.

An utter privilege to be their teacher and witness such a fantabulous spectacular show which our dear children showed in such a short period of time.”
